

# EMPOWERING LINSAs — SUPPORTING LINSAs

S. Helmle, S. Burkart, D. Maye, J. Ingram, J. Kirwan, K. Kubinakiva, N. Curry

## 01. FINDINGS

### Internal support measures

- Income from membership
- Sales and events
- Animation
- Volunteering
- Political support
- Networking
- Use of knowledge from the AKIS

### Needs – external support measures

- To set free untapped resources
- To disseminate LINSAs knowledge
- To further develop new knowledge and ideas

## 02. WHAT TO SUPPORT IN THE LINSAs CONTEXT ?

**Facilitation and guidance**  
**Strategic reflection**  
**Technical support**  
**Boundary objects**  
**Establishing relationships**

### Innovation Brokers: method & content training

- Improving participative interventions
- Understanding processes in networks
- Analytical tools as accelerators for interventions in LINSAs

### LINSAs

- Governance and management
- Visioning and initializing change processes
- Experimentation

### LINSAs-LINSAs Networks

- Mutual learning from multi-actor perspectives
- Dissemination of innovations
- Constructive and controversial discussions

## 03. USE OF OPEN SPACES : HOW TO SUPPORT LINSAs ?

- Seed money for projects
- Interlinking diverse actors
- Participatory practice-research collaboration
- Practice- and development-oriented conferences
- Recognition of LINSAs from the AKIS
- Dissemination activities and innovation brokerage
- Use of the project structure in Operational Groups
- Mutual contribution in the European Innovation Partnerships
